

## **Mobile Vety Unit by NITI AYOOG**

Namsai has been identified as one of the 112 Aspirational District of the country by Niti Ayog for time bound transformation into one of the best performing district by 2022. The transformation is being measured on real time basis through improvements in Key Performance Indicators (KPIs) across 05(five) major sectors- (i) Health & Nutrition (ii) Education (iii) Agriculture & Water Resources (iv) Financial Inclusion & Skill Development and (v) Basic Infrastructures.

In Agriculture sector, 02(two) KPI namely (i) Livestock vaccination and (ii) Artificial Insemination are most important and being monitored on monthly basis by Niti Ayog.

The NITI Ayog has sanctioned a Mobile Vety Unit for Namsai District under Externally Aided Project- Sustainable Development Goal (EAP-SDG) during 2019-20. The objective of the project are-

- (a) Improves % livestock vaccination
- (b) Improves % AI coverage
- (c) Door step animal health service delivery

The Mobile vety unit was formally flagged off by Chow Zingnu Namchoom on 7th February' 2021 in presence of DC, ADC and DVO Namsai and dedicated it for the services of livestock farmers of the district.
